Andy reviewed the Treasurer's Report for the month of October. Under the Expense Account 72100, Dinners, he indicated there were two \$500 checks sent to the Proud Bird as deposits for the January and February dinner venue. All the Scholarship checks have been disbursed.

Discussion: There was a question as to the Roster expenses. Karine Leblanc explained that \$2000 had been sent to the printer, and an additional \$2300 would be sent for the printing and postage. Narendra Amarnani noted that under Income Account 40100, Chapter Dues, there were 166 paid memberships. Susan Chen has a running list of members. David Kuo pointed out that the last column on the Treasurer's Report should read 2006-2007 (not 2007-2008). Don La Marr reported on the Edward H. Schmidt Golf Tournament and said that \$500 is due on 12-1-07,

and \$1000 due on 2-1-08. Phil Trafton remarked that the Scholarship Investments are doing well, and the fund has grown through good and bad times. MIKE BURKE – PRESIDENT-ELECT

Programs

11-06-07: Mike Burke announced the December joint meeting will be held at the Energy Resource Center in Downey. Mike Burke reported that The Proud Bird, near the airport, would be the location for the January and February meetings. The December meeting will not have a Technical Session. For the March meeting, the title for the 3D Production has been expanded. The April meeting needs one more speaker and may not have a technical session. Mike will work with Ishtiaq Chisti to finalize these speakers. The May meeting speakers are set except for Dale Au. The March, April and May venues are undecided. Narendra Amarnani requested that Mike Burke verify if the January speaker is an attorney and also confirm the February speakers.

Discussion: Narendra Amarnani said another April speaker from SCG needs to be decided upon before Sol*Air is published. Each utility speaker will have 20-25 minutes to speak. There was a discussion about possible venues for the March, April, and May meetings. Phil Trafton strongly urged that the contract with Taix's Restaurant be signed for March, April, and May. It was pointed out that in March there is a Distinguished Speaker, and the meeting should be held at Taix's because everyone is used to that venue. The Glendale area was suggested as a possible location and the Radisson was mentioned. Mike Burke was concerned about too much variety and that many changes break up the continuity. Aaron Deutsch felt that the meeting should be at Taix's for March, April, and May. Don La Marr suggested that someone should contact Taix's to see if they are willing to do fewer meetings at the same price. He stated that ASHRAE only has a signed contract through December. Mike Burke also indicated that Taix's always has excellent service and accommodations for the meetings and dinners. Karine Leblanc suggested the Board see how the meetings at The Proud Bird go in January and February. She felt the meetings should return to Taix's for March and April and then decide on a venue for May depending on the findings. Amar asked for a consensus. There was general consensus to have the January and February meetings at The Proud Bird, and the March and April meetings at Taix's Restaurant. The May meeting location will be decided depending on the results of the earlier meetings.

ACTION ITEMS:

- Mike Burke to verify if the January speaker is an attorney.
- Mike Burke to confirm the February speaker.
- Mike Burke to confer with Istiaq Chisti regarding April speakers.
- Mike Burke to confirm Dale Au for May.
- All speakers to be finalized before the next Sol*Air is published.

Alex will contact Eric Soladay to discuss what he did last year with regard to the letters.

Discussion: Narendra Amarnani asked Alex to set target dates. He asked Alex to contact members in November, and Andy Khechoumian to send template letter to Alex. Amar asked for a mailing to members. Andy suggested the new Roster be used since it has more active members than the old database. He stated there are about 400 names on the list. Karine Leblanc has updated the database, and a lot of time was spent obtaining correct addresses. Amar suggested Alex check with Society and Andy Khechoumian to discuss any questions about the December Resource Promotion Night. David Kuo suggested Alex send an e-mail to all Board members asking for a donation to Full Circle. These donations need to be made before the end of December.
