Minutes
of the
Board of Directors' Meeting
A California Corporation

July 14, 2009

The meeting was called to order at 4:10 p.m. by Karine Leblanc at Donald F. Dickerson Associates, 1100 Wilshire Boulevard, Los Angeles, California 90017.

PRESIDENT - KARINE LEBLANC

OPENING COMMENTS

Key Topics:

1. Karine Leblanc asked all Board members to email her if they will be unable to attend the meeting.
2. She also asked the Board members to pay their membership dues.
3. Karine reported she had received a Letter of Resignation from J. Michael Burke stating that he will be unable to fulfill his position on the Board of Directors as Past President. Karine stated Narendra Amarnani has agreed to fill the position as Past President. She commented Amar will attend the Board meetings, but he will be unable to attend all the dinner-meetings.

Motion No: 7-14-1222: It was moved and seconded by Jim Toda and Edwin Hornquist, respectively, to approve Narendra Amarnani as Past President of the Board of Directors for 2009-2010. The motion carried.

4. Karine reported there will be a Life Achievement Award at each dinner as a way to link the Youth with Wisdom.
5. Karine Leblanc began a discussion on the topic of Pre-Purchased Dinners. This plan would allow attendees to receive a discount for pre-purchasing dinners such as purchase 7 member dinners and get 1 dinner free. There was a discussion of how to handle the logistics and control of this with members, non-members, or guests. It was brought up that the purpose of the member price was to be an incentive to become a member. Karine commented it was important to consider if a guest attends even at a member price it might be a way of encouraging their membership. It was decided to offer a pre-paid member price for this year. However, on Membership Night everyone would pay the member price only in order to encourage non members to become members. Phil Trafton suggested this offer needed to be publicized. A decision was made to have this one time offer at the October meeting, but publicize the offer at the September meeting.
6. Karine commented next year will be the 80th Anniversary of ASHRAE. She suggested the Chapter begin to plan how to celebrate this event which would fall during Andy Khechoumian's tenure. Phil Trafton suggested this will be an appropriate time to give the Louise and Bill Holladay Award because he was the founder of the Southern California Chapter. Elbert Kelly was suggested as a possibility.
7. Karine explained the process of PAOE Points to the Board and new Board members. She asked each Director and Chair to review the PAOE Points for each area of responsibility and note what can be accomplished this year in order to earn more points. Narendra Amarnani will monitor the PAOE Points and keep the Board informed of areas that need improvement.

PRESIDENT-ELECT – ANDY KHECHOUMIAN

PROGRAMS

Key Topics:

1. Andy Khechoumian reviewed the suggested 2009-2010 Programs. There was a discussion about adjustments to themes, Main and Technical speakers and topics. Karine Leblanc listed the members to be honored at each dinner-meeting. It was suggested that a professor might be honored at the May Student and Young Engineers Night.
2. Andy reviewed the various speakers and Distinguished Lecturers being considered for the Main and Technical sessions. Christine Cloutier will inquire about a woman speaker, and Andy will ask Erin McConahey for suggestions for women speakers for Women in Engineering Night.

3. There was a discussion of possible changes for the Main and Technical Sessions. It was agreed to have a Forum on Acoustics for the September meeting, and the theme would be CTTC Night. Other possible topics were OSHPOD and Title 24. Aaron Deutsch felt the November Humidification and Dehumidification should be separated into a Main and Technical Session due to the amount of information to be covered. Edwin Hornquist commented he may be able to be of help for potential speakers for the Refrigeration Night. A decision was made to eliminate the Technical Session at the December Joint Meeting to allow for time to view the Table Tops. Kent Peterson will be the December Main speaker. Edwin Hornquist suggested changing the name of the April meeting topic to Solar Power Generation instead of Photo Voliaic Application. Ishtiaq Chisti commented the Energy Commission's new standards could be a topic, and Martha Brooke was suggested as a possible speaker. Martha Motagally suggested the topic of Leed for Hospitals as another possibility.
4. The Monthly themes were discussed with firm placement of Resource Promotion Night in December, Women in Engineering Night in March, Student and Young Engineers Night in May, and Membership Night in both October and possibly September.
5. Each month's Main and Technical Session speakers and topics were set, and Andy will confirm the availability of the speakers. Karine asked Andy to email the revised Program Schedule to the Board.

Action Items:

1. Andy Khechoumian to contact Erin McConahey for speaker suggestions for Women in Engineering Night speakers.
2. Andy to add a column indicating each month's honoree.
3. Andy will email a revised Program schedule to the Board.
