**Pre-Meeting Discussion:**

Prior to the opening of the meeting, there was a brief discussion regarding frames for speakers' Certificates of Appreciation. As a result of the meeting on June 10, 2008 and a subsequent Board meeting, the frames were standardized. Eighteen frames, which were pre-purchased two months ago, will be forwarded to Karine Leblanc for use during the balance of the year. The purpose of the standardization is:

1. Establishment of level of quality
2. Consistency in distribution and type
3. Elimination of possibility of errors or omissions on meeting night

**Special Request from Mike Burke**

Mike recognizes there are always extenuating circumstances, however he would like to respectfully request that everyone attempt to be punctual and timely.

Thanks so much for the effective effort last Tuesday.
