

John Tamney Memorial Scholarship

2023– 2024 ASHRAE Southern California Chapter Student Scholarships will be granted to a graduating high school senior who has been accepted into a mechanical engineering or engineering technology program at any California college/university or community college. The scholarship grant amounts are generally between \$1000 and \$5000 for tuition, books and supplies and limited to no more than eight (8) students per calendar year. Funds will be available during Fall 2023 enrollment. Interview will not be required.

Applications are due **March 31, 2023**. For consideration by the Chapter, please submit the following documents listed below:

1. Letter of acceptance for California colleges/universities or community college for entry to Mechanical Engineering or Engineering Technology program.
2. Name and location of High School.
3. At least one letter of recommendation from student's teacher or counselor
4. Graduating high school transcript with grade point average (GPA) - photo copy is acceptable.
5. Resume of personal interest and academic achievements.
6. Personal data – mailing address, phone, email address.
7. Essay on student's goals and future life path.

Notice of the award of the scholarship grant will be made at the on-line Chapter meeting on **May 2, 2023**. Funds will be available in Fall of 2023.

Submit all above documentation in electronic form (PDF or MS-DOC) to the Scholarship Selection Committee members, listed below, by **no later than March 31, 2023**.
